ADDITIONAL EXAMINATIONS REQUESTED:

SEAL ALL EVIDENCE AND COMPLETE THIS FORM PRIOR TO SUBMISSION

<p><b>NOTICE</b></p> <p>All items listed above are as described by the submitting agency and subject to verification upon inspection by the analyst. Evidence is processed in accordance with ADFS standard procedures. As a condition for submission of evidence to be worked by ADFS, the submitter accepts the agreement that deviation from test or calibration methods or a simplified way of reporting may occur when determined by ADFS to be technically justified, and that evidence may be processed at any ADFS facility or by a competent ADFS subcontractor. Once deemed to be public record, final reports issued in this case will be available to the public upon request in compliance with Alabama Code (1975) § 36-18-2.</p>	<p>For ADFS Use Only</p>
