SUBMITTED BY: _____
(Title/Name) (Signature of Submitter) (Date)

(Agency) (Telephone) (Email)

(Street Address) (Agency Case No.)

(City, State, Zip) (Agency Property No.)

Label each specimen with the subject's and the collector's names. Complete and apply one seal to each specimen. Place specimens in the protective holder and insert the holder into the plastic bag. Place the bag in the kit, seal the kit and initial the seal. Complete this form, re-fold and insert back into the plastic pouch affixed to the outside of the kit. Return the sealed kit with this completed form to the laboratory as soon as possible.
 NOTICE: Evidence is processed in accordance with ADFS standard procedures. By submitting evidence, the submitter agrees that deviation from test or calibration methods may occur when determined by ADFS to be technically justified and that evidence may be processed at any ADFS facility or by a competent ADFS subcontractor.
